

REMARKS

Claims 12-14, 16 and 17 are in this application and are presented for consideration. By this amendment, Applicant has canceled claims 7-10, 15 and 18-26. Accordingly, only claims that have been allowed or had been written in allowable form are not presented.

Claims 12-26 have been objected to based on informalities.

Applicant has represented some of these claims with the correction suggested by the Examiner. It is Applicant's position that all claims are free from the informalities that have been noted.

As all claims are now in condition for allowance it is requested that the Patent Office issue a Notice of Allowance at this time.

Respectfully submitted  
for Applicant,
